

TCN are excited to
announce a competition!

piano club

Win a years' worth of free rent in our innovative 'Piano Club' offices in Brixton's trendy 'Piano House'!

We are calling for small start-ups to create their own office theme tune and perform it on a large 'Big' inspired piano in the middle of the recently refurbished Town Square on Tuesday November 2nd for their chance to win a years' worth of free rent for 4 in our innovative 'Piano Club' offices in Brixton's trendy 'Piano House' a prize worth **£10,620**.

With its distinctive character, spacious inspiring setting and relaxed work environment, the Piano Club is ideal for companies large or small. With already an eclectic mix of start-ups, young energetic and entrepreneurial companies being drawn to the heart of Brixton, Piano House offers an alternative and original space. At an affordable level and with excellent accessibility (20 mins to West End) the Piano Club is due to launch in January 2011 offering 1-4 man businesses a fun and exciting yet affordable place to work.

In addition, TCN plan to add more work space along with 9 apartments to the Piano House within the next year and are currently seeking planning permission, making it an even more attractive place to work (well the journey will be short!)

How to get involved:

To get involved, interested businesses and entrepreneurs are invited to send their name, contact details, and company description to email:

brittany@inhouse-pr.co.uk.

As not all entrepreneurs have been gifted with musical prowess entrants are asked to simply send in their song idea – finalists will then utilise the large piano mat as creatively as possible. Whether it be a song, performance or poem, as long as your presentation represents you and your company it will be considered in the competition.

Competition performances will take place on the morning of **November 2nd 2010** in Brixton Town Square on Saltoun Road at **10am**.

Thank you and good luck to all!

the TCN team
